

# SPECIFICATION SHEET

Product Group: **Shade & Shelter**

**PRODUCT NAME: BAYMASTER M1 CANTILEVER**

**Product Code: TUUCIBAYM1CAN**

## Product Description

The Bay Master M1 Single Cantilever is modestly scaled to include smaller shapes and sizes than the larger and more robust MAX Cantilever range. Featuring stainless steel hardware, aluminium struts and Tuuci's exclusive Lift-Assist shade deployment system, this side post parasol is engineered to complement any outdoor environment.

**Built To Last :** All of our Bay Master M1 collection products include a maritime hub and are tested in high traffic areas, from ocean-front installations to exposed roadside locations

**Quick & Easy Opening System :** Tuuci's smaller cantilevers may be opened and closed quickly with gas piston assist

**Support Where You Need It :** Bay Master M1 collection ribs feature marine grade aluminium struts that act as reinforcement, effectively distributing stress and guaranteeing added strength

**Square**— Available in 2.45m &

**Octagon**— Available in 2.75m & 3.35m

**Brandline**™
