

SPECIFICATION SHEET

Product Group: **Planters**

PRODUCT NAME: CAMBERWELL PLANTER

Product Code: BLCAMBERWELL

The Camberwell recycled plastic planter is the perfect product to brighten up any garden or public area.

- ⇒ This planter is manufactured from 100% recycled products such as milk containers, laundry detergent bottles, Tupperware, bleach bottles, shampoo bottles and motor oil bottles
- ⇒ A typical Camberwell planter represents over 1,780 milk containers being saved from landfill
- ⇒ The Camberwell is compatible with the Brandline café barrier range and is manufactured to accept our banners and cross beams
- ⇒ Available in 3 different finishes; black, brown or grey
