Product Group: **Traditional Posts & Rope**

**PRODUCT NAME: LEADER FLAT ROPE POST**

Product Code: **PRLEADF**

## Product Description

The Leader Flat rope barrier is another very popular product when it comes to hospitality and event management.

- ⇒ Supplied in either stainless steel or brass, the Leader Flat post is seen as a high class, high quality, low cost barrier
- ⇒ Suitable for twisted, nylon, or velour rope the Leader Flat top brings the classic look into your queue system
- ⇒ This rope barrier features heavy duty stainless steel sub components and a galvanised cast iron base so it will look new for years to come
- ⇒ The base has a factory fitted full floor protector designed to last the entire lifetime of the post
- ⇒ High-quality profile base that is built to keep tripping hazards to a minimum
- ⇒ Many stanchions have sand cast rope loops but the Leader loops are forged for incredible strength
