

# SPECIFICATION SHEET

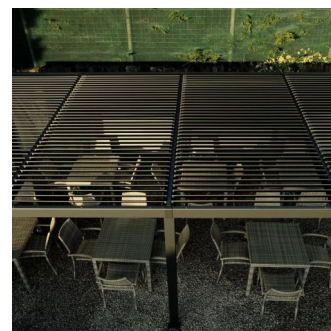

Product Group: **Shade & Shelter**

**PRODUCT NAME: METAL PERGOLA**

**Product Code: BLMETALPERG**

This toughened aluminium square gazebo is ideal for outdoor areas that require some shelter. We supply to residential gardens and commercial venues.

- ⇒ When the slatted roof is fully closed, the gazebo roof is waterproof
- ⇒ The easy open mechanism allows you to control the roof to allow light in
- ⇒ The metal gazebo comes with 3 side blinds for additional weather protection
- ⇒ The gazebo does require a flat, hard surface to affix to. It is designed to be fixed to a finished surface (decking or slabs etc) as the blinds pull down to the very bottom of the leg
