

# SPECIFICATION SHEET

Product Group: **Retractable**

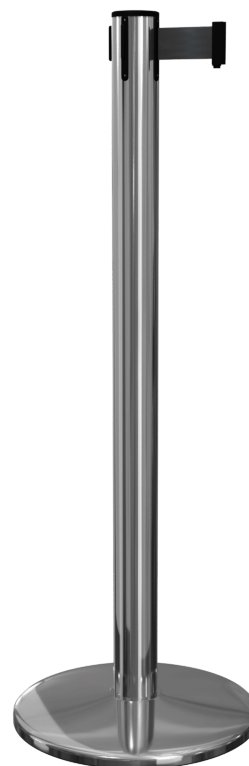

**PRODUCT NAME: QUEUEPRO 251**

**Product Code: RETQUEUEPRO251**

## Product Description

The QueuePro 251 stanchion is ideal for high traffic areas such as airports, large retail stores, stadiums and arenas. Its sleek, contemporary design houses the belt mechanism inside the post all while offering the durability of steel construction and a heavy duty cast iron base.

- ⇒ **Slow Retracting Belt :** Our belt cassette offers key safety features including a belt brake for slow belt retraction and a constant torque spring mechanism for smooth and silent belt retraction
- ⇒ **Belt End Lock :** Universal belt end connects to all major brands and features a belt lock which prevents accidental belt release
- ⇒ **Full Circumference Floor Protector :** A full circumference rubber floor protector provides maximum protection for expensive show room floors
- ⇒ **4-Way Connectivity :** Each stanchion features 4-way connectivity with one expandible belt and three universal connection splines
