

SPECIFICATION SHEET

Product Group: **Retractable**s

PRODUCT NAME: LITERATURE HOLDER

Product Code: **BLRETLITHOL**

- ⇒ The Literature Holder allows printed information to be made available to customers standing in the queue
- ⇒ The 2 Pocket model takes 217mm x 280 mm literature and the 4 Pocket takes tri-fold
- ⇒ The Literature Holder dispenses from both sides and can be supplied to fit all major brands of retractable barriers
- ⇒ The unit simply slips onto the top of the stanchion and fits firmly; adapters are available to fit any major brand of crowd control stanchion
- ⇒ The belt can still be deployed so the unit can be positioned anywhere in the queue line or used standalone wherever customers need access to printed information
