SPECIFICATION SHEET

Product Group: **Retractables**

PRODUCT NAME: **RETRACTABLE PAPER SIGN HOLDER**

Product Code: **BLRETPSIGN**

⇒ The Paper Sign Holder takes standard copier paper, which means you can print your own signs with any desktop printer. To fit the sign simply pull the two sides of the clear acrylic sheets apart and slide the sign in. Signs can therefore be changed as often as you like.

⇒ The Paper Sign Holder is available in either landscape or portrait orientation. The frames are supplied with the 2 sheets of clear acrylic.

⇒ This model is for use with retractable belt barriers only and is fitted with a post top adapter that slides onto the top of your belt stanchion for a firm fit.

⇒ Available in either black or polished chrome finish
