

# SPECIFICATION SHEET

Product Group: **Shade & Shelter**

**PRODUCT NAME: WOODEN PERGOLA**

**Product Code: BLWOODPERG**

This heavy duty chunky wooden gazebo has a composite bitumen panelled roof to keep the rain off.

- ⇒ Clear roof light panels are available at an additional cost, please talk to one of our sales team
- ⇒ This wooden gazebo is ideal for outdoor dining and hospitality
- ⇒ PVC side panels make this a cosy option, these are available at an additional cost
- ⇒ Suitable as a patio shelter or on decking. It needs a flat, hard surface to affix the legs to
- ⇒ At 2.5m tall it comes under the height allowance for planning permission therefore does not require planning unless your venue has a historic or preservation order
