

# SPECIFICATION SHEET

Product Group: **Retractable**

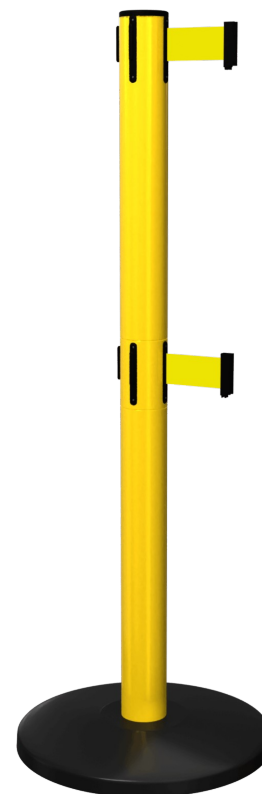

**PRODUCT NAME: SAFETYMASTER TWIN**

**Product Code: RETSAFETYMASTERTWIN**

## Product Description

SafetyMaster Twin is a functional low-cost solution for restricting access to work areas. All models feature a steel post with a concrete filled galvanized steel base and are available in three high visibility colour options. SafetyMaster Twin is weatherised for outdoor use. The lower belt of the Twin model restricts pedestrians from ducking under the belt.

- ⇒ A full circumference rubber floor protector provides maximum protection for expensive show room floors
- ⇒ Our belt cassette offers key safety features including a belt brake for slow belt retraction and a constant torque spring mechanism for smooth and silent belt retraction
- ⇒ Universal belt end connects to all major brands and features a belt lock which prevents accidental belt release
- ⇒ Each stanchion features 4-way connectivity with one expandible belt and three universal connection splines
- ⇒ Available in 3 colour options —orange, red or yellow
- ⇒ 3 standard belt colours and 15 pre-printed safety messages. Alternatively we can custom print a message to your requirements
