

SPECIFICATION SHEET

Product Group: **Retractable**

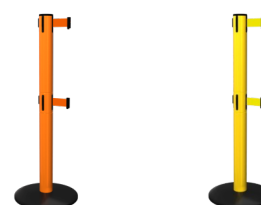

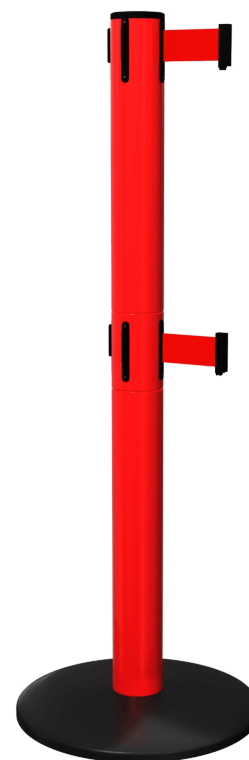

PRODUCT NAME: SAFETYPRO 300 TWIN

Product Code: RETSAFETYPRO300TWIN

Product Description

SafetyPro is a range of heavy-duty retractable barriers designed for restricting access to work or cleaning areas. All models feature a steel post with three high visibility colour options, a cast iron base and are weatherized for outdoor use. The SafetyPro Twin 300 features two 4.9m belts requiring half the number of barriers as the industry standard belt. The lower belt restricts pedestrians from ducking under the belt.

- ⇒ A full circumference rubber floor protector provides maximum protection for expensive show room floors
- ⇒ Our belt cassette offers key safety features including a belt brake for slow belt retraction and a constant torque spring mechanism for smooth and silent belt retraction
- ⇒ Universal belt end connects to all major brands and features a belt lock which prevents accidental belt release
- ⇒ Each stanchion features 4-way connectivity with one expandible belt and three universal connection splines
- ⇒ Available in 3 colour options —orange, red or yellow
- ⇒ 3 standard belt colours and 15 pre-printed safety messages. Alternatively we can custom print a message to your requirements
