

SPECIFICATION SHEET

Product Group: **Retractable**

PRODUCT NAME: SAFETYPRO 335 SOCKET MOUNT

Product Code: **RETSAFETYPRO335S0M**

Product Description

SafetyPro is a range of heavy-duty retractable barriers designed for restricting access to work or cleaning areas. All models feature a steel post with three high visibility colour options and are weatherised for outdoor use. The SafetyPro 335 features a range of belt lengths up to 10.6m and are designed for low cost, time efficient set up of long run barriers.

- ⇒ The removable base is designed for permanent queue layouts but where occasional removal of the stanchions is necessary. The removable base is an insert fixed to the bottom of the stanchion that slides into a socket set in the floor. A cap fits into the socket when the stanchion is removed
- ⇒ Our belt cassette offers key safety features including a belt brake for slow belt retraction and a constant torque spring mechanism for smooth and silent belt retraction
- ⇒ Universal belt end connects to all major brands and features a belt lock which prevents accidental belt release
- ⇒ Each stanchion features 4-way connectivity with one expandible belt and three universal connection splines
- ⇒ Available in 3 colour options —orange, red or yellow
- ⇒ 3 standard belt colours and 15 pre-printed safety messages. Alternatively we can custom print a message to your requirements
