

SPECIFICATION SHEET

Product Group: **Indoor & Outdoor Furniture**

PRODUCT NAME: THETFORD STACKABLE ARMCHAIR

Product Code: **BLTHETFORDSAC**

- ⇒ A robinia wood commercial stacking dining armchair; strong and sturdy and ideal for use in commercial hospitality venues.
- ⇒ Like teak, this hard wood has a close grain structure and a high oil content so it is ideal for outdoor furniture.
- ⇒ It resists splits and cracks and weathers naturally overtime with no treatment.
- A robinia hardwood stacking armchair
- 565mm x 565mm x 830mm tall
- Great for indoor and outdoor use
- Strong close grain wood resists splits and cracks
- Weathers naturally to a silver grey colour
- Easy to stack and store
- Weather resistant
