

SPECIFICATION SHEET

Product Group: **Retractable**

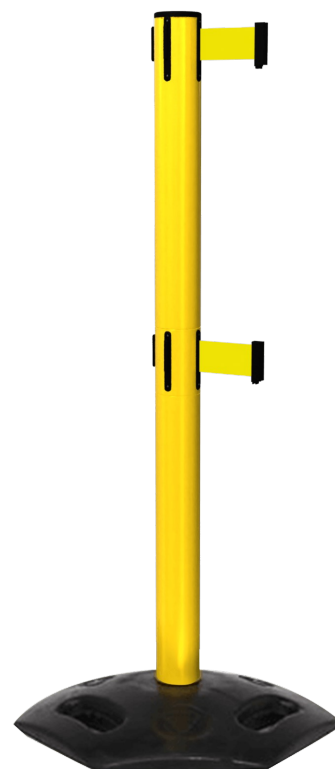

PRODUCT NAME: WEATHERMASTER 250 TWIN

Product Code: RETWEATHERMASTER250TWIN

Product Description

WeatherMaster is a tough portable barrier manufactured with a steel post and heavy-duty rubber base designed for factory and outdoor use. A PVC post is available for electrostatic environments. The rubber base is tough enough to be driven over, has curved shape to reduce trip hazard and features convenient carry handles. The lower belt of the WeatherMaster Twin 250 restricts pedestrians from ducking under the belt.

- ⇒ The unique recycled rubber base on the WeatherMaster is tough enough to be driven over, while it's curved shape reduces trip hazard
- ⇒ Our belt cassette offers key safety features including a belt brake for slow belt retraction and a constant torque spring mechanism for smooth and silent belt retraction
- ⇒ Universal belt end connects to all major brands and features a belt lock which prevents accidental belt release
- ⇒ Each stanchion features 4-way connectivity with one expandible belt and three universal connection splines
- ⇒ Available in 3 colour options —orange, red or yellow
- ⇒ 3 standard belt colours and 15 pre-printed safety messages. Alternatively we can custom print a message to your requirements
