

SPECIFICATION SHEET

Product Group: **Retractable**

PRODUCT NAME: WEATHERMASTER 335

Product Code: RETWEATHERMASTER335

Product Description

WeatherMaster 335 is a tough portable barrier manufactured with a steel post and heavy-duty rubber base designed for factory and outdoor use. A PVC post is available for electrostatic environments. The rubber base is tough enough to be driven over, has curved shape to reduce trip hazard and features convenient carry handles.

- ⇒ The unique recycled rubber base on the WeatherMaster is tough enough to be driven over, while it's curved shape reduces trip hazard
- ⇒ Our belt cassette offers key safety features including a belt brake for slow belt retraction and a constant torque spring mechanism for smooth and silent belt retraction
- ⇒ Universal belt end connects to all major brands and features a belt lock which prevents accidental belt release
- ⇒ Each stanchion features 4-way connectivity with one expandible belt and three universal connection splines
- ⇒ Available in 3 colour options —orange, red or yellow
- ⇒ 3 standard belt colours and 15 pre-printed safety messages. Alternatively we can custom print a message to your requirements
