

# SPECIFICATION SHEET

Product Group: **Retractable**

**PRODUCT NAME: QUEUEPRO MAGNETIC 251**

**Product Code: RETQUEUEPROMAG251**

## Product Description

- ⇒ The QueuePro Magnetic 251 stanchion has the advantage of providing a fixed queue installation without the cost and worry of having to drill into the floor.
- ⇒ The magnetic mount prevents the stanchions from moving during use ensuring the queue system stays in line as originally set out.
- ⇒ High strength magnets in the base means the stanchion will withstand the bumps and knocks of everyday use but can be removed by a concerted pull on the post top.
- ⇒ A self-centering feature in the base makes it easy to align the stanchion with the floor plate.
- ⇒ Ideal for queues where the layout is permanent, airports, sports arenas, and retail stores.
- ⇒ Choose from two tape length options – 3.4m or 3.9m – and keep your queues flowing smoothly and effortlessly.
