

# SPECIFICATION SHEET

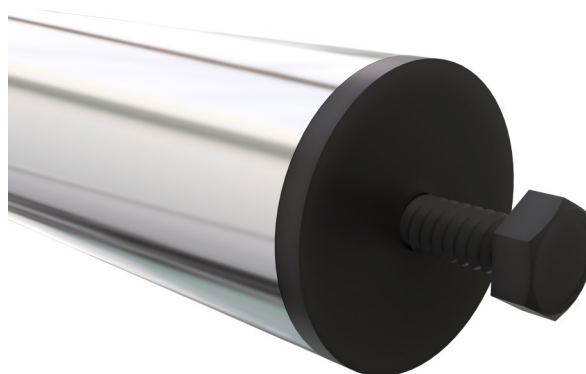

Product Group: **Café Barrier Systems**

## PRODUCT NAME: **QUADRATE CROSS BEAMS**

Product Code: **BLQCB**

Our uniquely crafted cross beams are tailored specifically for the Quadrate Post.

- ⇒ Constructed from durable stainless steel, these beams feature a bolt that securely fits into the designated holes on the post, ensuring a tight and stable lock in place.
- ⇒ All fittings are made from sturdy nylon.
- ⇒ Available in our standard widths— 1200mm Centres, 1500mm Centres, 1800mm Centres and 2000mm Centres. Bespoke sizes are available as we manufacture in-house.
