

# SPECIFICATION SHEET

Product Group: **Café Barrier Systems**

## PRODUCT NAME: FLOOR SOCKET FOR CAFÉ BARRIER POSTS

Product Code: **BLFS**

- ⇒ Our Floor Socket option for our cafe barrier posts is a great choice when you're looking for a space-saving solution that allows for easy removal of your system at the end of each business day.
- ⇒ The floor socket is compatible with the [Advance](#), [Original](#), [Classico](#), and [Clear](#) cafe posts. Crafted from stainless steel, the floor socket features a cap that seamlessly blends in with the surface, ensuring safety when not in use and maintaining a clean appearance in your area.
- ⇒ The floor socket and cap are suitable for indoor and outdoor use.

**Please note: Cafe barrier post is not included in this price.**
