

# SPECIFICATION SHEET

Product Group: **Planters**

## PRODUCT NAME: ZINCATO PLANTER

### Product Code: **BLZINCATO**

- ⇒ Zincato is a new addition to our collection – a galvanised steel and scaffold planter that promises style and sturdiness!
- ⇒ The planter features a 50mm galvanised finish frame, reclaimed scaffold board and scaffold tube.
- ⇒ Our skilled production team can customise the scaffold tube frame to your desired height, with options available up to 1800mm.
- ⇒ Crafted in-house, we offer flexibility not just in size but also in finish – making it a perfect match for your space!
- ⇒ Additionally, the diameter of the scaffold tube can be tailored to your preference, ranging from 21mm to 48mm.
- ⇒ The planters can also be branded in a variety of ways (stencilled, etched, printed) or complemented by the addition of branded café barriers.
- ⇒ The Zincato planter is supplied with 2 shelf options: either 300mm “full depth”, fully lined for planting or “shallow” 120mm for faux foliage. 2 base options are available: 90mm high legs to allow movement by pallet truck or locking, swivel, castors (no warranty).
- ⇒ To complete your project why not consider the other alfresco terrace products Brandline manufactures and installs including, café screening, giant umbrellas and awnings.
