

SPECIFICATION SHEET

Product Group: **Indoor & Outdoor Furniture**

PRODUCT NAME: HARDY HIGH STACKABLE STOOL

Product Code: **BLHARDYHIGHST**

- The Hardy High Stackable Stool is a durable and sturdy seating option, making it a practical choice for a variety of modern indoor or outdoor venues.
- Crafted from polypropylene reinforced with glass fibre in a single injection, this stool has undergone CATAS testing to ensure durability for heavy contract use.
- Its ultra-strong construction and easy maintenance make it well-suited for a wide range of settings, including hospitality establishments, leisure facilities, student living spaces, and work environments.
- Additionally, this stool is available in Low and Medium heights and comes in four different colours.
