

SPECIFICATION SHEET

Product Group: **Indoor & Outdoor Furniture**

PRODUCT NAME: HARDY LOW STACKABLE STOOL

Product Code: **BLHARDYLOWST**

- The Hardy Low Stackable Stool is a durable and sturdy seating option suitable for modern indoor or outdoor venues.
- Crafted from polypropylene reinforced with glass fibre, this stool has undergone CATAS testing for heavy contract use, ensuring its reliability.
- With four available colours and the ability to stack up to four high, the Hardy Low Stool proves to be a versatile and practical seating solution, easily fitting under tables or being stored away conveniently when not in use.
- Due to its strength and easy maintenance, this stool is well-suited for various hospitality, leisure, student living, and workspace environments.
- Additionally, it is also offered in Medium and High heights to cater to different needs.
