

SPECIFICATION SHEET

Product Group: **Indoor & Outdoor Furniture**

PRODUCT NAME: SCAFFOLD DINING TABLE

Product Code: **BLSCAFFOLDTA**

- Our Scaffold Dining Table is designed to make a bold statement in your hospitality venue.
- Crafted with a top-quality Northern European Redwood top and a sturdy galvanised steel tube base, this table combines durability with an urban-industrial aesthetic.
- This table is built to withstand frequent use in busy commercial outdoor settings, making it a reliable choice for your space.
- Pair it with any metal chair to create a cohesive and stylish look for your venue. We recommend pairing with the Spire Stackable Chair or matching Scaffold Benches.
