Product Group: **Information Displays**

PRODUCT NAME: SEREN ACRYLIC FREESTANDING MENU DISPLAY STAND

Product Code: **BLSERENACRYLIC**

- Elevate your promotional displays with the Acrylic Freestanding Menu Display Stand, designed for durability and elegance.
- This all-weather resistant acrylic case features sleek white LED lights that enhance visibility, making your menus or advertisements stand out in any environment.
- Perfect for restaurants, cafes, or events, this display stand combines functionality with a modern aesthetic, ensuring your messages are always illuminated and easily accessible.
- The Acrylic Seren Menu Stand perfect for indoors or outdoors.
- This versatile stand features a secure lock system and integrated white LED lights to ensure your menu is always visible, day or night.
- With the capacity to hold two A4 portrait papers, it's perfect for showcasing daily specials or events.
- Plus, the self-standing pole and zinc base provide stability, while the option to add wheels makes it easy to reposition as needed.
- Included with the Menu Stand is a 5 metre power plug.
- For added convenience, the Acrylic Seren Menu Display Stand can also be powered by a separate battery pack, offering over 8 hours of usage (sold here).
