Product Group: **Information Displays**

**PRODUCT NAME: SEREN GLASS FREESTANDING MENU DISPLAY STAND**

Product Code: **BLSERENGLASS**

- Elevate your establishment's presentation with the Glass Seren Freestanding Menu Display Stand.
- Crafted from all-weather resistant laminated wood, this elegant stand features a sleek glass front and stylish stainless steel edges, ensuring durability and sophistication.
- The Glass Seren Menu Stand perfect for showcasing menus or promotional materials in any setting, whether indoors or outdoors.
- Enhance your customer experience and make a lasting impression with this versatile display solution.
- This versatile stand features a secure lock system and integrated white LED lights to ensure your menu is always visible, day or night.
- With the capacity to hold four A4 portrait papers, it's perfect for showcasing daily specials or events.
- Plus, the self-standing pole and zinc base provide stability, while the option to add wheels makes it easy to reposition as needed.
- For added convenience, the Glass Seren Menu Display Stand can also be powered by a separate battery pack, offering over 22 hours of usage (sold here).
